

SCHOOL ACCELERATOR PROGRAM: ADMINISTRATOR PATHWAY OVERVIEW

TeachUNITED's SAP: Administrator Pathway empowers school and district leaders to master the most effective and impactful strategies for supporting sustainable school improvement. The online program guides you through embedding these best teaching and learning practices in your daily work with your staff as the leader of change and growth at your school.

While participating in the administrator pathway, you receive access to TeachUNITED's asynchronous online course, one-on-one coaching from an experienced Administrator Coach, and community-building coaching sessions with other program participants. You will have opportunities to learn and practice new strategies, reflect with expert admins on your growth, and share practical tools for success with your peers.

Sample Learning Outcomes:

- Help teachers develop growth mindsets through your administrative practices.
- Learn how to help educators design, implement, and evaluate lessons for engagement and impact.
- Understand the common challenges to personalized learning and explore how to build capacity to solve them at the building level.
- Conduct classroom evaluation/walkthroughs with TeachUNITED rubrics.

Who is TeachUNITED? TeachUNITED is a global non-profit dedicated to empowering educators with supportive coaching, evidence-based strategies, and personalized learning design. Educators experience transformed teaching and learning and improved student outcomes.
