

School Accelerator Program

The TeachUNITED (TU) School Accelerator Program (SAP) empowers educators to transform their practices, engage all students, and form professional learning communities. Combining effective teaching strategies with transformational professional learning, our programs yield school-wide improvements from both educators and students.

INTENTIONALLY DESIGNED PARTNERSHIPS

IDENTIFY

Work together to identify educators to participate in the training

IMPLEMENT

Collaborate on an implementation plan that is customized to fit your needs

IMPACT

Guide development of measurement and evaluation plan to collect the data that really matters to you

FOR SUSTAINABLE TRANSFORMATION

1:1 COACHING

Translate theory into action with deliberate skill practice

ACTIONABLE CONTENT

Refine skills with flexible synchronous and asynchronous content

PEER LED LEARNING

Reinforce learnings and share ideas within peer learning frameworks

SAP: TEACHER PATHWAY

With an online course, job-embedded instructional coaching, webinars, and built-in professional learning communities, this program is a side-by-side, supportive journey for teachers to build long-term, school-wide capacity.

Details of the Program

- Participants: Teachers and/or Instructional Coaches
- Duration: The program lasts 2 school years, 10 months per year
- Pacing: Participating teachers will spend 4-5 hours per month on the SAP

Program Structure

- Access to the online asynchronous learning course
- 2 small group webinars per unit, 8 per program
- Bi-weekly PLC support
- 1-2 individual coaching sessions per unit, 6-8 per program
- Personalized reflection and feedback opportunities through the online course

SAP: VIRTUAL TEACHER PATHWAY

Designed for those that are new to the virtual teaching space or shifting from a purchased curriculum to designing their own lessons, the SAP: Virtual Teacher pathway addresses the challenges and opportunities of virtual teaching and learning. Enjoy the same side-by-side support as our traditional SAP: Teacher Pathway (program details and structure remain the same) but with a focus on best practices, strategies, and learning outcomes for a virtual setting.

Build **Teacher** Capacity.
Improve **Student** Outcomes.

SAP: ADMINISTRATOR PATHWAY

This asynchronous online program guides you through embedding best teaching and learning practices in your daily work with your staff as the leader of change and growth at your school.

Details of the Program

- Participants: School and/or district leadership - Asst. Principals, Principals, Asst. Superintendents, Superintendents
- Duration: The program lasts 6 weeks, 15 hours total
- Pacing: Participating school leaders will spend 1-3 hours per week on the program

Program Structure

- 1 kick-off webinar
- Access to the online asynchronous learning course
- 2 PLC coaching sessions
- Opportunity for individual coaching sessions
- Personalized reflection and feedback opportunities through the online course

STRATEGIES COVERED

Growth Mindset

Student Engagement

Personalized & Blended Learning

Lesson Plan Design

Data-Driven Classrooms

Student Growth & Achievement

SAMPLE LEARNING OUTCOMES

- **Teachers:**
 - Understand the importance of data-driven decision making for PLCs and practice formative assessment strategies. Adapt personalized learning strategies to support student academic achievement.
 - Measure engagement in a virtual classroom and building. Learn how to design, implement, and evaluate high-engagement virtual lessons.
- **Administrators:**
 - Help teachers develop growth mindsets through your administrative practices. Conduct classroom evaluation/walkthroughs with TeachUNITED rubrics.

TU MINI-COURSE

Rooted in the same research as the SAP, TU Mini-Courses focus on a single topic and the strategies proven to have the highest effect on student outcomes.

Details of the Program

- Participants: Teachers and/or Instructional Coaches (virtual or in-classroom)
- Duration: The program lasts 3 months but is flexible based on your school needs
- Pacing: Participating teachers will spend 2-3 hours per month on a course

Mini-Course Topics

- Student-Centered Learning
- Tips for Early Career Teachers
- Developing a School Culture of Success

COMING SOON!

90%

of educators report that the course had a positive impact on their teaching practice.

115%

Students in the U.S. achieved 115% of expected growth on standardized assessments.

"We hit the nail on the head by partnering with TeachUNITED for teacher professional development and coaching. This is moving us from best practices to NEXT practices."
